

HALF THE SKY

INVITES YOU TO IMAGINE THE FUTURE

in an Open Space gathering led by Renu Burr
THURSDAY 18 NOVEMBER AT SUBIACO ARTS CENTRE

HALF THE SKY came into being as tens of thousands women across the world demonstrated in shared rage and frustration. Women marched, sang, danced and staged events, demanding change, demanding to speak and to be heard, creating new connections and building strong communities.

We look back at 2021 as a year of turmoil and uncertainty but within times of crisis opportunities to dream and imagine new possibilities arise. We invite you to dream with us. To explore the way forward. To create the future we want.

RENU BURR is an inspirational facilitator who is passionate about creating spaces which encourage truly creative thinking and feeling. Through Social Presencing Theatre we will look at current reality and future possibility, and in an Open Space we ask questions, reflect on what emerges and devise a way to move forward.

Come with your curiosity and your courage

Food and refreshments will be provided. Please wear comfortable clothes
